Dear Larry:

It is with great pleasure that the members and officers of the Carpenter Contractors' Association of Detroit acknowledge and endorse you and your efforts with regard to the "Special Dreams Farm" for developmentally disabled adults.

We believe this splendid endeavor will give purpose to many "special adults" by allowing them to learn and accomplish important farm related tasks!

Please keep us advised of the progress you make on this project.

Very truly yours,

Grace H. Bopray,
Executive Secretary
