Mr. Larry Collette
Special Dreams Farm
Box 741
New Baltimore, MI 48047

To Whom It May Concern:

UAW Local 160 which represents the Skilled Trades employees at the GM Technical Center would like to enthusiastically endorse the "Special Dreams Farm."

We have made a donation to their program and encourage others to do the same. They are assisting developmentally disabled adults, teaching them new skills, improving their self esteem and making them an asset to society. They take the time and provide the environment on their working farm to enhance their abilities. We can't say enough about their program and commend them for taking on this endeavor to improve the lives of these individuals.

Any assistance you can give them would be most appreciated.

Sincerely,

Jerry Gillespie
President
UAW Local 160
